6 February 2019

Dear Investor,

Unit Purchase Plan Offer

On behalf of the Board of Directors of Magellan Asset Management Limited ("Magellan"), I am delighted to offer you the opportunity to participate in the Magellan Global Trust (ASX: MGG) Unit Purchase Plan (the "Offer") which was announced on 29 January 2019.

The Offer is an opportunity for eligible unitholders in Magellan Global Trust to acquire up to A\$15,000 of new fully paid ordinary units ("New Units") in the Magellan Global Trust at a 5% discount to net asset value ("NAV") per unit without incurring any brokerage costs, on the terms and conditions of the Offer. New Units under the Offer will be eligible to receive the distribution of \$0.03 per unit for the six months ending 30 June 2019.

To minimise dilution, Magellan Financial Group Limited, the parent company of Magellan, will pay the Magellan Global Trust an amount of consideration equal to the cost of the 5% discount to the NAV per unit from which the offer price under the Offer is determined (as described below).

Offer Price

The offer price to acquire New Units under the Offer ("Offer Price") will be the lower of:

- \$1.5327 (representing a 5% discount to the Magellan Global Trust's NAV per unit on the day prior to the date of announcement of the Offer, being 28 January 2019); and
- The price which represents a 5% discount to the Magellan Global Trust's NAV per unit on the day the Offer closes.

Therefore, the maximum price that Eligible Unitholders will pay is \$1.5327 per New Unit. Magellan Global Trust units last traded at \$1.67 prior to the announcement of the Offer.

Magellan will announce the final Offer Price after the Offer closes, expected to be 6 March 2019.

Purpose of the Offer

Funds raised from the Offer will be invested in line with the Magellan Global Trust's investment strategy, which seeks to achieve attractive risk-adjusted returns over the medium to long term, while reducing the risk of permanent capital loss. For information regarding the Magellan Global Trust's investment performance and portfolio, please visit our website at www.magellangroup.com.au. The Magellan Global Trust's monthly and quarterly fund reports are also available on the ASX.

How to Apply

The Offer opens on Wednesday, 6 February 2019 and is expected to close at 5.00pm (Sydney time) on Wednesday, 6 March 2019.

To participate in the Offer, eligible unitholders must either:

- make a payment directly by BPAY® (you do not need to return an Application Form under this option); or
- complete and return your enclosed personalised Application Form, together with your cheque, bank draft or money order drawn from an Australian bank in Australian dollars,

in accordance with the instructions contained in the Offer Booklet for the Offer which accompanies this letter and your personalised Application Form, by no later than close of the Offer (being 5.00pm (Sydney time) on Wednesday, 6 March 2019).

The Offer does not take into account the individual investment objectives, financial situation or particular needs of any person. You should consider seeking independent advice before making a decision as to whether or not to participate in the Offer.

If you have any questions, please contact the Unit Registry, Boardroom Pty Ltd, on 1300 737 760 (callers within Australia) or +61 2 9290 9600 (callers outside Australia), or consult your financial or other professional adviser. If you do not wish to participate in the Offer, you do not need to take any action.

Distribution Reinvestment Plan

It has come to Magellan's attention that not all unitholders are aware of the attractive distribution reinvestment plan ("DRP") offered by the Magellan Global Trust and I would like to take this opportunity to outline the key details.

The Magellan Global Trust aims to deliver investors a Target Cash Distribution yield of 4% per annum paid semi-annually. The Magellan Global Trust offers a DRP in respect of the Target Cash Distributions whereby unitholders may elect to reinvest their distributions in new units of the Magellan Global Trust at a 5% discount to the prevailing NAV per unit without incurring brokerage. To avoid dilution of non-participating unitholders, the discount is paid to the Magellan Global Trust by Magellan Financial Group Limited.

If you are not currently a DRP participant and would like to participate in the DRP for the next distribution, please complete and return the DRP Application Form which accompanies this letter or logon to www.investorserve.com.au and make a DRP election. This can be found under the "Payment Instructions" section of the website and then under "Reinvestments & Donations".

While the Offer enables you to subscribe for up to \$15,000 of new units using your own funds, the DRP enables you to reinvest Magellan Global Trust distributions in additional units. It is your choice whether you participate in either, both or none of the Offer and the DRP.

On behalf of the Board and the Magellan Global Trust's Portfolio Managers, Hamish Douglass and Stefan Marcionetti, I thank you for your continued support of the Magellan Global Trust.

Yours sincerely,

Brett Cairns
Chief Executive Officer, Magellan Asset Management Limited

TERMS OF THE OFFER

The Offer

Eligible Unitholders will each have the opportunity to participate in the Offer by subscribing for up to A\$15,000 of New Units at the Offer Price without incurring brokerage costs. Details of the Offer and how to participate are set out below.

The Offer will be on the same terms to all Eligible Unitholders.

Who is an Eligible Unitholder?

You are eligible to participate in the Offer (an **Eligible Unitholder**) if you were a registered holder of Units at 7.00pm (Sydney, Australia time) on Friday, 25 January 2019 with an address on the Unit Register in Australia or New Zealand, subject to the terms and conditions of the Offer. Magellan has determined that it is not practical for holders of Units with addresses on the Unit Register in other jurisdictions to participate in the Offer.

In applying for New Units, each Eligible Unitholder must comply with the terms of the Class Order to the extent that it applies to them. What is required in order to comply with the Class Order is set out in this Offer Booklet.

To the extent that an Eligible Unitholder holds Units on behalf of another person resident outside Australia or New Zealand, it is their responsibility to ensure that any acceptance of the Offer complies with all applicable foreign laws.

In order to comply with relevant securities laws, the New Units to be issued under this Offer may not be offered to Unitholders located in the United States or to Unitholders who are, or who are acting for the account or benefit of, U.S. Persons (as defined in Regulation S under the U.S. Securities Act). Because of these legal restrictions, you must not send copies of this Offer Booklet or any other material relating to the Offer to any person resident in the United States or who are, or are acting for the account or benefit of, U.S. Persons.

Can I transfer my right to participate in the Offer?

The Offer to each Eligible Unitholder is non-renounceable (i.e. Eligible Unitholders may not transfer their right to apply for New Units under the Offer to anyone else).

What is the Offer Price payable to acquire New Units under the Offer?

The Offer Price to acquire New Units under the Offer will be the lower of:

- a) \$1.5327 (representing a 5% discount to the Magellan Global Trust's NAV per Unit on the day prior to the Announcement Date); and
- b) The price which represents a 5% discount to the Magellan Global Trust's NAV per Unit on the day the Offer closes.

To minimise dilution, Magellan Financial Group Limited, the parent company of Magellan, will pay the Magellan Global Trust an amount of consideration equal to the cost of the 5% discount to the NAV per Unit from which the Offer Price is determined.

Units in the Magellan Global Trust last traded on ASX at \$1.67 prior to the announcement of the Offer.

The market price of Units may rise or fall between the date of the Offer and the date when the New Units are issued. This means that the price you pay per New Unit pursuant to this Offer may be either higher or lower than the market price of Units on ASX at the date the New Units are issued to you under the Offer.

How much can Eligible Unitholders apply for under the Offer?

Each Eligible Unitholder may participate in the Offer by applying for one of the following amounts of New Units from a minimum of A\$5,000 of New Units up to the maximum of A\$15,000 of New Units (subject to scale back) (**Unit Parcels**):

Application amount				
A\$5,000	or	A\$10,000	or	A\$15,000

If an Eligible Unitholder applies for any amount other than A\$5,000, A\$10,000 or A\$15,000 their application may be considered defective and may be rejected by Magellan.

The number of New Units an Eligible Unitholder will receive, at each of the available levels, is dependent on the final calculation of the Offer Price and the extent of any scale back. Where applicable, the number of New Units issued under each Unit Parcel will be rounded down to the nearest whole number of New Units.

Participation by Eligible Unitholders

The following rules apply to participation by Eligible Unitholders in the Offer:

Single holders – If you are the registered holder of Units and you receive more than one offer under the Offer (for example, due to multiple registered holdings, including joint holdings), you may only apply for up to A\$15,000 of New Units in total.

Joint holders – If you are recorded with one or more other persons as the joint holder of Units, that joint holding is considered to be a single registered holding for the purpose of the Offer and a certification given by any of the joint holders is taken to be a certification given by all of them. A joint holder who receives more than one Offer due to multiple registered holdings (including both sole and joint holdings) may only apply for up to A\$15,000 of New Units in total.

Custodians – The Offer also enables Eligible Unitholders who hold Units as a “custodian” to participate in the Offer on behalf of each beneficiary on whose behalf the custodian is holding Units up to a maximum amount of A\$15,000 of New Units for each beneficiary.

Under the Class Order (and any relevant applicable ASIC relief) you are a custodian if:

- you hold an Australian financial services licence that:
 - covers the provision of a custodial or depository service (as defined in section 766E of the Corporations Act); or
 - covers the operation of an IDPS (as defined in ASIC Class Order [CO 13/763]); or
- you are exempt under:
 - paragraph 7.6.01(1)(k) of the Regulations; or
 - paragraph 7.6.01(1)(na) of the Regulations; or
 - ASIC Class Order [14/1000] or ASIC Class Order [CO 14/1001]; or
 - Schedule 2 to the *ASIC Corporations (Repeal and Transitional) Instrument 2016/396 (Legislative Instrument)*; or
 - an instrument, not being a Legislative Instrument, made by ASIC and which applies to the person on terms similar to Schedule 2 of the Legislative Instrument or any of the ASIC Class Orders repealed by the Legislative Instrument; or
 - paragraph 911A(2)(h) of the Corporations Act,from the requirement to hold an Australian financial services licence for the provision of a custodial or depository service; or
- you are a trustee of a:
 - self-managed superannuation fund as defined in section 17A of the Superannuation Industry (Supervision) Act 1993 (Cth); or
 - superannuation master trust as defined in the Class Order; or
- you are a responsible entity of an IDPS-like scheme (as defined in the Class Order); or

- you are the registered holder of Units and are noted on the Unit Register as holding the Units on account of another person.

If a custodian holds Units jointly on behalf of two or more persons, the A\$15,000 limit applies jointly in relation to those persons as if the custodian held the Units on behalf of a single person, and the custodian is taken to have been instructed to apply for New Units on behalf of those persons if the custodian has received such an instruction in accordance with the terms on which the Units are held, or if the terms do not cover the giving of instructions of this kind, the custodian has received such an instruction from any of those persons.

Custodians wishing to participate on behalf of one or more beneficiaries must submit a custodian certificate to Magellan. If you are a custodian, please contact the Unit Registry, Boardroom Pty Limited, on 1300 737 760 or +61 2 9290 9600 if outside Australia, to obtain further information on how to apply and the form of certification to be given to Magellan. Do not return the enclosed Application Form if you wish to apply as a custodian.

Eligible Unitholders who hold Units in the capacity of a trustee or a nominee (or in another capacity) for another person but who are not a custodian (as defined above) cannot participate for beneficiaries in the manner outlined above. In this case, the rules for "Single holders" apply.

A custodian holding Units for the benefit of a U.S. Person may not apply for New Units under this Offer for that U.S. Person.

If your cheque is dishonoured, it will not be re-presented. If paying by BPAY applicants should be aware that their own financial institution may implement early cut off times with regards to electronic payments and therefore should take this into consideration when making payment. It is the responsibility of the applicant to ensure that funds submitted through BPAY are received by the close of the Offer.

If your Application Form or application is incomplete, contains errors or is otherwise invalid or defective, Magellan may, in its sole discretion, accept, reject, correct or amend your application, issue such number of New Units to you as it determines, refund your application money, or take any combination of these actions. Applications may be scaled back

Magellan may in its absolute discretion, or where applications exceed more than 30% of the Magellan Global Trust's units on issue as at the Announcement Date, allocate to you less than the number of New Units for which you have applied.

If applications are scaled back, Magellan may apply the scale back to the extent and in any manner that it sees fit. If the scale back produces a fractional number of New Units when applied to your parcel, the number of New Units you will be allocated will be rounded down to the nearest whole number of New Units.

If there is a scale back, the difference between the funds received and the number of New Units allocated to you multiplied by the Offer Price, will be refunded by Magellan without interest.

Refunds

By applying for New Units under this Offer, you apply for a certain Australian dollar amount, rather than a certain number of New Units. The number of New Units to be issued to you will be calculated by dividing the amount you subscribe by the Offer Price, rounded down to the nearest whole number of New Units. This could result in a small amount of excess (which will always be less than the Offer Price for one New Unit under the Offer) (**Excess Amount**).

Refunds under the Offer may be paid under various circumstances, including:

- a) If allocations are scaled back you will receive a refund of:
 - the scaled back amount; and
 - the Excess Amount.
- b) If your application is rejected, your application amount will be refunded in full.

If allocations are not scaled back you will not receive a refund of the Excess Amount. The Excess Amount will be retained by the Magellan Global Trust.

If a refund is made, you will not receive any interest on funds refunded to you.

Dispute resolution

Magellan may settle in any manner it thinks fit, any difficulties, anomalies or disputes that may arise in connection with or by reason of the operation of this Offer.

The decision of Magellan is conclusive and binding on all Unitholders and other persons to whom the determination relates.

Waiver, amendment, modification, suspension and termination

Magellan may waive compliance with any provision of the terms and conditions of the Offer, amend, modify or vary the terms and conditions of the Offer or suspend, withdraw or terminate the Offer
